MEMORANDUM 2007-07

To: County Engineers

Cc: Division County Transportation Engineers

From: 
Ed Phillips, P.E. State County Transportation Engineer

RE: Federal Aid Fund Obligation Deadline

This memorandum is being transmitted as a professional courtesy and as a reminder that as of Tuesday, May 1, 2007, all fiscal year 2006 and prior years' Federal Aid funds not yet obligated will revert back to the Alabama Department of Transportation for reallocation. Effectively, this should mean that on May 1, 2007 no county's Federal Aid balance should exceed \$500,000.00. Exceptions will only be honored when a legitimate waiver to the deadline mentioned above has been requested in writing by the county and approved in writing by this office.

For Federal Aid funds to qualify as obligated, the county must have a project with plans having had a final check by the Division County Transportation Engineer's office and in or in route to this office prior to the May 1, 2007 deadline.

If you have questions concerning plan status please contact Mr. Mack Lovelady at (334) 242-6204. If you have questions concerning your Federal Aid balance please contact Mr. Ed Austin at (334) 242-6751. If you should have any other questions or comments please feel free to contact me at (334) 242-6203.
